

The Orff Schulwerk Teacher Certification courses are designed to immerse participants in the Orff Approach to teaching music. Devised by Carl Orff, this approach seeks to engender the inherently musical qualities in all people through an active and creative learning process.

It applies to all areas of music education, including early childhood, primary, secondary, tertiary, studio, therapy or special education. Participants in the certification courses experience this way of learning and teaching first-hand, using the skills and techniques specific to the Orff approach.

Level 1 will include studies in Movement and Dance, Orchestration and Analysis, Technique and Improvisation, Recorder, Vocal Studies and Pedagogy.
Level 1 participants require a descant recorder.

Certification is attained through successfully completing all assessment tasks during the course and attending the required 36 face-to-face hours. It is a requirement that each Level is successfully completed before moving to the next Level.
