

## About the trainer

Dr Carol Richards is an experienced Orff Practitioner. She trained in the US during the 1970s and in Salzburg at the Special English Course in 1980. She has taught everyone from young children to adults using the Orff approach. In 2003 she was a major presenter at the American Orff Course in Louisville. She has been active in the Orff movement, producing a supplement "Sketches in Style" writing the Level Guidelines and serving as Chair of the Levels Committee in Australia.

In 2000 she was awarded the inaugural Award of Honour by the Australian National Council of Orff Schulwerk for her contribution to music and movement education in Australia. A retired lecturer from the University of Newcastle, Dr Richards continues to teach using the Orff approach.
